(c) shall set the fees for the separated licenses as follows:

HB 536 (Thirty-sixth Legislative Day - Second Reading - House) - Representative R. Brown moved consideration of HB 536 be passed for the day. Motion carried.

HB 536 (Thirty-seventh Legislative Day - Second Reading - House) - Representative Brueggeman moved HB 536 do pass.

Representative Brueggeman moved HB 536, second reading copy, be amended as follows :
1. Page 1, line 20.
Following: “mildew,”
Insert: “or”
Following: “spores”
Strike: “, and other microscopic organisms or allergens”
2. Page 1, line 30 through page 2, line 19.
Strike: “There” on page 1, line 30 through “inspection.” on page 2, line 19
Insert: “There are many types of mold. Inhabitable properties are not, and cannot be, constructed to exclude mold. Moisture is one of the most significant factors contributing to mold growth. Information about controlling mold growth may be available from your county extension agent or health department. Certain strains of mold may cause damage to property and may adversely affect the health of susceptible persons, including allergic reactions that may include skin, eye, nose, and throat irritation. Certain strains of mold may cause infections, particularly in individuals

with suppressed immune systems. Some experts contend that certain strains of mold may cause serious and even life-threatening diseases. However, experts do not agree about the nature and extent of the health problems caused by mold or about the level of mold exposure that may cause health problems. The Centers for Disease Control and Prevention is studying the link between mold and serious health conditions. The seller, landlord, seller's agent, buyer's agent, or property manager cannot and does not represent or warrant the absence of mold. It is the buyer's or tenant's obligation to determine whether a mold problem is present. To do so, the buyer or tenant should hire a qualified inspector and make any contract to purchase, rent, or lease contingent upon the results of that inspection."

Amendment adopted as follows:
